for all literate human beings."
– Roy Black, Attorney and Network TV Commentator

10-TIME AWARD WINNING BESTSELLER
Do You QuantumThink? New Thinking That Will Rock Your World
by Dianne Collins, Creator of QuantumThink®

The world is changing at a dizzying pace. We're all looking for new ways of thinking that can bring about real solutions to modern problems, from the pursuit of inner serenity to solving world conflicts. In *Do You QuantumThink?* author Dianne Collins shares her ingenious discovery that reveals a critical missing link to make sense of our changing times. Her discovery provides us with the understanding and methodology to rise above problems of today by laying the foundation for an entirely new way to think.

Part science, part philosophy, part spirituality, *Do You QuantumThink? New Thinking That Will Rock Your World* draws on a wide spectrum of sources, from cutting edge innovations in the sciences to the insights of the world's greatest spiritual leaders. This book will make you laugh, free you from limiting ideas, and introduce you to the most advanced principles and practical methods for living. *Do You QuantumThink?* will rock your world in the best of ways as you experience one revelation after another.

"An absolute must read for those wanting to "think outside the box."
– Andrew Yep

"This book has changed our lives [book club] and not just in minor ways but major life epiphanies. Not only does Ms. Collins present the information in an easy-to-grasp method but she is entertaining as well as informative."

– Margaret A Tona

“I can’t stop reading this book! I’ve read it twice and will continue to use it as a reference guide.”
– Kathy Danielson
